THE CHRISTMAS HERALD.

The Christmas Herald for 1890 will be entirely different in design from any previous holiday number. It will be issued in high art style, with illustrations in the beautiful photo engraving and half tone processes, and the printing will be done on a fine quality of heavy book paper. It will be the first edition of the kind ever issued by a Utah paper.

The aim will be to present everything relating to the progress and material development of Salt Lake and the territory, but in brief, terse and succinct style. The illustrations will include the principal buildings now under way or in completion. The size will be increased to handsome and convenient form, and in all the endeavor will be to prepare a number such as will give the best possible idea of the progress and present status of our city and territory.

The price will be 25c. per copy. Special rates to dealers and agents.

Please forward orders for copies early.
